STEP 4: OBTAIN TROOP COMMITTEE SUPPORT

At the completion of the annual troop program planning conference, you and your senior patrol leader should prepare a clean draft of the planning worksheet for presentation to the troop committee. Arrange with the committee chairman for this important topic to be placed on the meeting agenda. Then you and the senior patrol leader present the troop's annual program to the committee.

Try to anticipate questions and prepare your senior patrol leader to answer them. (Remember, it's a boy-planned program.) The critical question the committee must resolve is: does the troop have the resources to carry out this program? If not, can the resources be obtained, and are the troop members willing to do their share in obtaining them?

There may be need for compromise. In those cases, the senior patrol leader should present the options to the patrol leaders' council for their approval.

The finished product from these discussions will be a troop program that is accepted by everyone, and one that has the necessary support to make it work.
